Public Notice

- TITLE:**

Construction of Temporary Car Park

إنشاء موقف سيارات مؤقت

- SCOPE OF WORK:**

Bapco Refining intends to construct a temporary car park north of the Refinery to increase car parking capacity. The temporary car park construction works include but are not limited to civil works, electrical works, and instrumentation/access control works.

تعترم شركة بابكو للتكرير إنشاء موقف مؤقت للسيارات شمال المصفاة لزيادة الطاقة الاستيعابية لمواقف السيارات. تشمل أعمال إنشاء مواقف السيارات المؤقتة، على سبيل المثال لا الحصر، الأعمال المدنية والأعمال الكهربائية وأعمال الأجهزة/ التحكم في الوصول.

- **1.0 MANDATORY CRITERIA**

The Bidders shall provide the supporting document/documentary evidence along with their bid to establish the compliance to the following mandatory requirements. Non submission of documents would result in disqualification of Contractor's bid.

- **1.1 Works Experience:**

BIDDERS shall have minimum of seven (7) years relevant work experience over the last ten (10) years in successful execution of civil works and/or road, highway & earthworks (material procurement, manpower and equipment hire contracts/agreements are excluded) in Oil & Gas and/or Petrochemical Industry and/or Industrial Plants and/or Ministry of Works projects and/or Electricity and Water Authority projects and BIDDER must have completed at least one similar project/work of minimum value BHD 900,000.00 in Bahrain.

Copies of bidder's company's profile including typical work, largest projects completed and business volume, and client reference letters/relevant Purchase Agreements/Purchase Orders (manpower and equipment hire contracts/agreements are not considered as relevant experience) issued within the above-mentioned period shall be submitted along with the bid documents as evidence. The relevant supporting documents submitted shall also include the current and valid contact information (address, contact numbers, contact emails etc.) for verification by Bapco. BIDDERS to fill the table in Appendix G. Mandatory

- **1.2 Health, Safety and Environment:**

BIDDERS shall have and demonstrate: Mandatory

1.2.1 Fully auditable and active HSE Policy, HSE Procedures relevant to onsite activities and Safety Training Plan in operation within their organization and possession of valid certification of OHSAS 18001/ISO 45001.

1.2.2 BIDDERS SHALL have in their full time employment, as part of their company overhead structure, minimum Two (2) NEBOSH (Level 3 General Certification in Occupational Health and Safety) qualified Safety Officer with minimum of five (5) years work experience in the highway/road/transportation projects or Oil & Gas or Petrochemical Industry. Copy of CV including certificates for the above and proof of employment in the form of Bahrain CPR or National Identity Cards of the person shall be submitted along with the bid documents and training records in the past 5 years and fill the table in Appendix H.

- **1.3 Minimum Manpower Requirements**

1.3.1 BIDDERS shall have as a minimum number of management, supervision and manpower under their organization as listed under Appendix I. The workforce listed below shall be directly employed by the Bidder and manpower subcontract agreements (supply, hire, outsource, etc.) will not be considered. The required workforce including the project management, supervision and direct labours are:

1.3.1.1 Projects Manager (min. 1 nos): BSc/BEng Civil Engineering from reputed university within 10 years of relevant experience in Ministry of Works/Electricity and Water Authority (EWA) and/or major highway projects.

1.3.1.3 Quality Control Engineer (min. 1 nos): BSc/BEng Civil Engineering degree holder within 5 years of relevant experience in the execution of jobs in the Ministry of Works/Electricity and Water Authority (EWA) and/or major highway projects.

1.3.1.4 Site Engineers (min. 1 nos): BSc/BEng Civil Engineering degree holder with min 5 years of relevant experience in the execution of jobs in the Ministry of Works/Electricity and Water Authority (EWA) and/or major highway projects.

1.3.1.5 Planner (min. 1 nos) with min 5 years of relevant P6 experience in execution of similar jobs.

1.3.1.6 Civil Field Supervisors (min. 3 nos) with min 10 years of relevant experience in the execution of jobs in the major highway projects.

1.3.1.7 Quantity Surveyor (min. 1 nos) with min 10 years of relevant experience in the execution of similar jobs.

1.3.2 BIDDERS shall fill the table in Appendix I and submit the employment records of the above-listed mandatory manpower details along with their bid submission. Additionally, education & certificate copies along with updated CVs shall be submitted for the management and supervision personnel in line with clause 1.3.1: projects manager, construction manager, QA&C engineer, HSE supervisors, site engineers, quantity surveyor, planner and supervisors. CVs are subject to approval by BAPCO based on relevance of experience as outlined in item 1.3.1 above.

- **1.4 Minimum Plant and Equipment Requirements: Mandatory**
BIDDERS shall have, as a minimum, the listed (or equivalent) machinery & equipment under Appendix J that are well maintained, in good working condition, and safe for use in an Oil & Gas or Petrochemical Industry environment. These are:
Asphalt/concrete cutters (min. 2 nos), plate compactors (min. 4 nos), air compressors with 350 CFM min capacity (min. 3 nos), generators (min. 3 nos), jack hammers (min. 6 nos), roller compactors (min. 4 nos), 2 to 5 ton capacity hiab (min. 1 nos), 6 wheel truck (min. 2 nos), water tanker min 5000 USG (min. 1 no), JCB excavators (min. 2 nos), JCB bobcat (min. 2 nos), bus (min. 1 nos), excavators (30 tons or higher capacity) with rock breakers (min. 3 nos), excavators (30 tons or higher capacity) (min. 2 nos), grader (min. 2 nos), 15 ton or higher capacity vibratory roller (min. 2 nos), mini bus (min. 1 nos), car/pick up (min. 2 nos), 20 m3 tipper truck (min. 6 nos), 10 m3 tipper truck (min. 6 nos).
- Bidders shall provide ownership supporting documents and/or copy of long term lease agreement for Bapco's review and approval.
- **1.5 Material Availability**
BIDDERS shall have sufficient unbound material in their stockyards and/or suppliers' stockyards. BIDDERS shall submit proof of material records (material survey report, photos, LOI copies, agreements, etc.) for Bapco's review. Bapco will conduct the necessary site visit for verification.
- **1.6 Quality:**
BIDDERS to provide documentary evidence to support and substantiate the requirements below. **Mandatory**
1.6.1 Fully auditable Quality Management System (QMS) in place that adequately covers all aspects of their operations.
1.6.2 The contractor shall have valid accreditation with formal certification for ISO 9001 certification.
